CELEBRATE
CREDIT UNION
YOUTH MONTH
DURING APRIL

Just for **RCU** kids

SAVE SMALL

DREAM BIG

at your credit union™

If you could buy anything right now, what would it be? Did you know if you save the money you get from birthdays, holidays, or your allowance, you can buy it? You can also earn money by selling your old toys, games, and clothes you've outgrown. Or ask if you could "work" for your parents or neighbors to earn cash by walking the dog, washing the car, or weeding the garden.

When you start earning money, save some in your Redwood Credit Union account. Your money will be safe, and you won't spend it if it's not in your wallet or a dresser drawer.

YOUR MENTAL HEALTH IS IMPORTANT

Here are some things you can do the next time you're feeling upset about something:

Draw a picture.

Hug a stuffed animal.

Hug someone you love.

Do a puzzle

Listen to music

Hold a pillow.

Take a walk outside.

CELEBRATE EARTH DAY FRIDAY, APRIL 22

WHAT IS EARTH DAY?

Just like your birthday that comes around every year, we celebrate Earth Day to remember we have one Earth, and it's our job to make sure it stays clean and healthy. So how will you spend Earth Day?

Here are some ideas:

TAKE A VIRTUAL WALK AROUND A NATIONAL PARK.

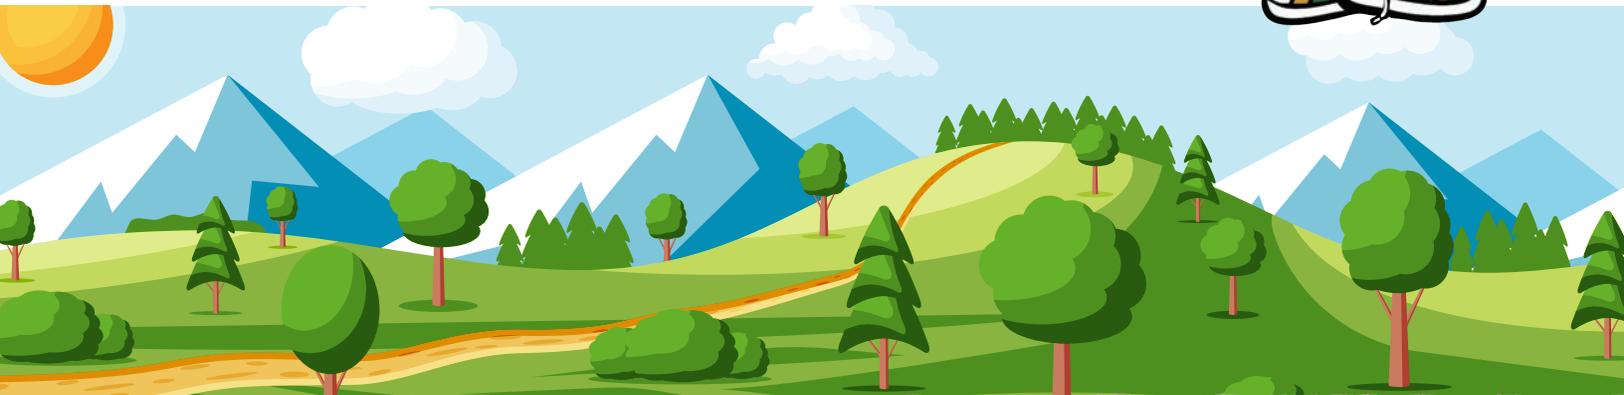

Most of the 62 national parks offer a virtual tour, so grab your water bottle and ask an adult to help you take a hike through the Grand Canyon or view Hawaii's active volcanoes!

USE RECYCLED MATERIAL TO CREATE ART.

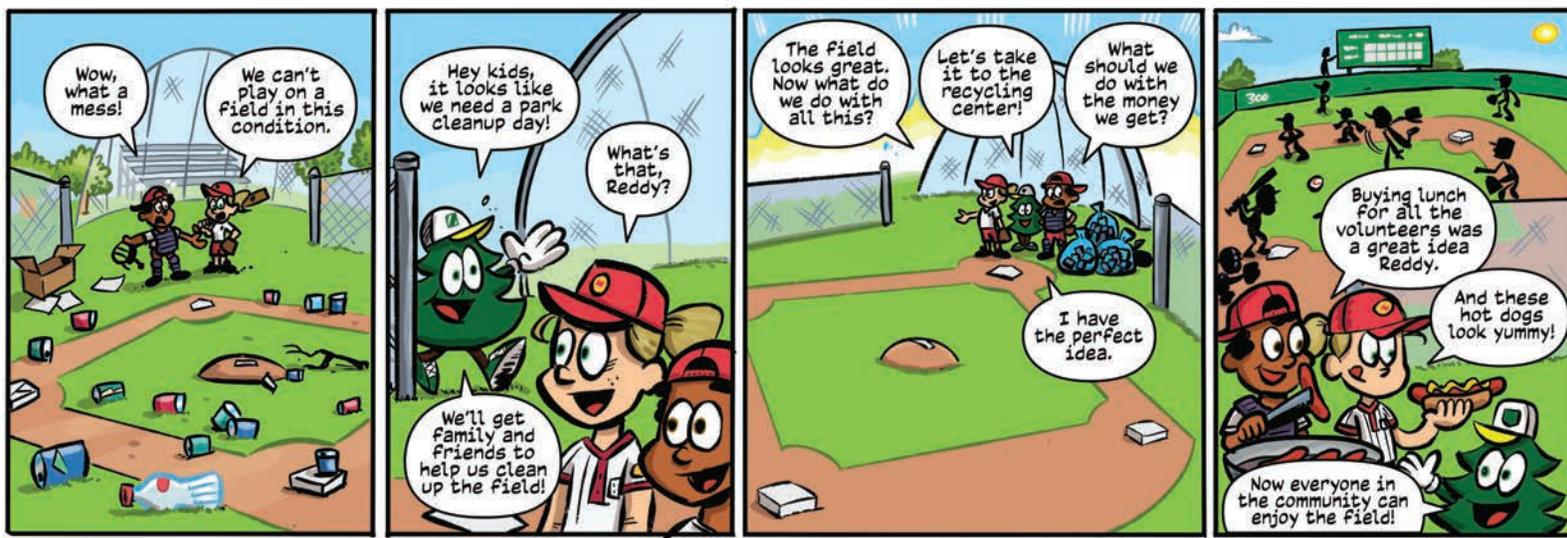

Recycling is the perfect way to spend your Earth Day. Ask an adult for old magazines, books, newspapers to create a masterpiece of art, or look in your recycling bin to see what you can make with things that have been tossed.

SET SAIL ON A NEIGHBORHOOD SAFARI.

You'll want to get some of your neighbors involved in this one before Earth Day comes. Learn about some of the world's animals, maybe those on the endangered species list, and draw or color pictures of animals you've studied. Then, hang the pictures in your window on April 22 and go on a neighborhood safari.
