UNLEASH

the Power of Saving at Your Credit Union™

National Credit Union Youth Month is an entire month that celebrates youth around the world who are learning how to save, spend, and share money wisely. This year the focus is on the power of savings.

When you receive money for small jobs, your allowance, or gifts, deposit some of it into your Redwood Credit Union savings account. You'll see your savings start to grow! Saving money now will give you the power to buy the things you want in the future.

JOIN REDDY AS HE MAKES THE EARTH DAY PLEDGE

April 22 is Earth Day—a day dedicated to protecting our amazing planet. Earth Day reminds us that we need to take steps now to preserve the earth so future generations will enjoy the same animals and nature that we do.

Reddy has created a list of things we can all do to help keep our planet healthy. Will you join Reddy as he makes the Earth Day pledge?

Can you think of any other ideas to add? Create your own list and ask your friends and family to take the pledge to help save our planet!

Visit redwoodcu.org/youth to download a printable version of the Earth Day Pledge certificate.

EARTH DAY POEM

Here's your chance to create an original acrostic poem about Earth Day. (That's a poem where the first letter of each line spells out a word when read vertically.) Using the letters from the word **Earth** to start each line, create a poem about the day. Share your creativity with your friends.
