

HSA Authorized Signer Removal Request

Date: _____

Owner Name: _____

Account Number: _____

Authorized Signer Being Removed from HSA: _____

Owner Signature: _____

Best Contact Number: _____

The only way to terminate an Authorized Signer's access to the account is to notify RCU in writing.

To maintain the security of the account, RCU advises that I obtain a new Member number after deleting an Authorized Signer's authority to conduct business on the HSA. Because RCU has no control over the information (such as identifying information) or documents (such as blank checks) the Authorized Signer may have regarding my accounts or me, RCU will not be responsible for transactions by a former Authorized Signer unless I change my Member number.
